Presidents Message

Happy July Everyone!

The Fletcher Cruise-In Car Show was on a picture perfect day. There was a bit of a break in the heat and no rain!

I had the awesome opportunity to meet this very special young lady, Kolby Kae and her family! A bundle of energy with a beautiful smile. Kolby was our JDRF representative child for this event. Thank you to Kolby and her family for coming to our Cruise-In Car Show!

Also, I want to extend a thank you to Fletcher Chrysler, Dodge, Jeep, Ram for being the host for our Cruise-In Car Show! Kaylee Joiner, our contact for this event, did an awesome job! This was her first year being involved with setting up this event and she is looking forward helping us plan next year!

A huge shout out to Team Rick! Thank you Rick for working so diligently to make sure the event was a success! This was my first year and my “greenness” showed. Thank you to the volunteers that helped throughout the event. We could not have done it without you! The Fletcher Event was competing with a number of other events on the same day which probably had an impact on the attendance.

Quick note about the Westgate Cruise-In Car Show --- We will be putting a lot of focus on this event, which is coming up on September 8. Suggestions that came from Kaylee at Fletcher – theme baskets. Theme Baskets are baskets that have a theme: like movie tickets or free movie rental, pizza gift card and popcorn in one basket.

with our flyers. The early registrations were exciting as many different cars (new to Fletcher) arrived. With many cars parked and signed in before 10:00, I had an expectation for a lot full of vehicles by noon. Even though there were only around 80 vehicles, it was an incredible show!

High Points: The great weather allowed people to really enjoy the event. I had positive feedback from everyone except the Mustang guy who didn't want the fire engines parked next to him! The DJ did an excellent job with perfect cruise music. There was plenty of good food.

We spent a little money to make the door prizes more attractive/valuable which resulted in more ticket sales by Bobby Stephenson and "Trouble".

Even with fewer cars, there was a significant increase in donations/ticket sales that Steve will share at our next meeting (big positive).

Some points to think about: There were other car events that day in our area. Plus the huge Good Guys event in Ohio. The high heat and humidity in the prior weeks had probably dimmed some enthusiasm for another car event. I could have done a better job of updating our donation sheet & flyer earlier.

We also need to investigate how to use electronic advertising as Lynn has suggested. So, thanks to Fletcher and IMC for this big JDRF fund raiser!

Tattler's Corner

How many times were the registration persons eating and up would walk a new person to be registered? Sure is embarrassing sometimes. And wow, were those cookies good. Melted right in your mouth after being in the sun for awhile.
