President's Corner

The Hi-Winder's Trophy

Just wanted to let the club know the W.O.W Traveling Trophy we won in 2010 is back in its rightful home, the Indy Hi-Winder's Clubhouse. We were treated to pizza and drinks again just like last year, for which those in attendance enjoyed very much. I want to thank all from our club members who attended and the Hi-Winders for a great evening and fantastic weather. If you have never been to their clubhouse, it is a must see if you ever get the opportunity. It is full of 50 years of their history and their members have many stories to tell, we were very entertained and it is good to hear about a club that has been around so long. Again double thanks to the Hi-Winders for their hospitality and their enthusiasm for our sport. (Pictures on pages 2 and 3)

Brian Berkowitz, President

Our 1969 Road Runner is done.....well kinda, maybe, I'm not sure.

John and Carol Ann Bauer

The last article I submitted was on September 27, 2010 and the car was about to go into the paint booth for the white over green combination. Well, it finally has color and went to Paul Jacobs' shop for assembly about 2 months ago. From the pictures you can see it is finally drivable, less the windshield, but I believe it is now installed. It just needs a couple of decals (running bird) put on, taken out and test driven and then I can go get it.

This was one of those 7 year restorations that seemed like an eternity but "Honey" and I are glad that is finally complete. We had hoped to have it at the March swap meet but due to circumstances beyond Paul's control the car did not get completed on time. However, we do plan to have it at the Adesa car show. Since this "bird" is so strange looking in 2 tone paint and full wheel covers I am expecting a lot of comments from the non-Mopar group, some may be positive but some may think I cloned a Satellite since it's not your typical Road Runner.

I wish I could locate the original owner and let him, or her, see that their car has been brought back to life. I think this is what this hobby is all about...taking a piece of history that was destined for the scrap yard and

Lots of "Power" being shown

Both Indy Hi-Winders and Indy Mopar Club were well represented as you can see. Pictures provided by Brian Berkowitz and Dave Sanders.

Tattler's Corner

I sure hope that Dave Sanders doesn't run out of breath reading all the May birthdays and anniversaries. What a month. We could have a party 16 days out of the month if they would cooperate.

From your editor:

I know that John Bauer would have preferred to wait until the windshield was in and the rest of the work was done before he took the pictures. But, bless his heart, he knew I was "under the gun" with a deadline to publish the newsletter so he obligingly sent the pictures and story. I'm hoping that "Honey" will give him a big hug for me.

Jan Peel

I would appreciate any news about our members that have attended other events and/or have had their cars or stories in other publications.
